GIRLS SKILLS CLINIC

Basic Baseball and Softball Skills

Dingerz is excited to announce that it will be hosting a FREE baseball/softball clinic for girls of any age. The event will be led by former Canadian Women's National Team member, Hannah Martensen, and assisted by local baseball and softball players who have found success at the local, provincial and national levels. It will provide an opportunity for girls to train together while encouraging them to share their experiences, challenges and successes in their sport. Parents will also have the opportunity to learn more about girl's baseball and softball in the Ottawa/Gatineau region, provincially and nationally.

Space is limited so register online at www.dingerzbaseball.com before September 22, 2017 to ensure your spot. (A wait list may be created if there is sufficient interest).

Athletes should bring proper athletic attire, baseball/softball equipment and a water bottle.
